PROFESSIONAL SUMMARY

Data Scientist with strong foundations in data analysis, machine learning, and statistical modelling, complemented by practical web development skills. Experienced in Python, SQL, data visualization, and building data-driven solutions. Passionate about transforming data into actionable insights and developing scalable, user-focused solutions in a fast-paced, global environment.

WORK EXPERIENCE

Media Crew (Volunteer – Full-Time)

Project Liam Foundation – Nairobi, Kenya

December 2024 – Present

- Capture high-quality **photography and videography** content for events, campaigns, and social media platforms.
- Produce and edit visual content using professional editing tools to deliver **polished, audience-engaging media**.
- Translate organizational stories, messages, and brand identity into compelling **visual narratives**.
- Collaborate with communication and project teams to support outreach and awareness initiatives.
- Ensure consistency, quality, and creativity across all visual media outputs.

- Statistics & Probability
- Data Cleaning & Feature Engineering
- Machine Learning (Regression, Classification)
- Data Visualization (Power BI)
- Google Sheets & Microsoft Excel

Web Development

- HTML, CSS, JavaScript
- React (basic)

Tools & Platforms

- Git & GitHub
- Jupyter Notebook
- Excel
- Google Colab

EDUCATION

2025 to present: Bachelor of science in Business Information Technology, Africa Nazarene University

2025 to present: Data Science, African Leadership X(ALX)

2024: Kenya Certificate of Secondary Education, Kenyatta (Mahiga) High School

2019: Kenya Certificate of Primary school Education, St. James Academy School

Relevant Coursework:

- Data Analysis
- Statistics
- Programming
- Database Systems

- Financial Modelling

CERTIFICATIONS

- ALX Professional Foundation Certificate
- ALX Data Analytics Professional Certificate
- ALX Python Certificate
- ALX Machine learning Certificate
- Freelancing Certificate ALX

ACHIEVEMENTS & ACTIVITIES

- Participated in data analysis and coding challenges.
- Strong collaborator with experience working in team-based projects.

LANGUAGES

- English – Fluent
- Swahili – Fluent
